"I Am Stuck on Jesus"

(Tune: Band-Aid)

I am stuck on Jesus, cause Jesus stuck on me.
I am stuck on Jesus, cause Jesus stuck on me.

Cause He holds me tight when things go wrong
and clings when hope seems gone……

I am stuck on Jesus, cause Jesus stuck on me.

"My Savior"

(Tune: Oscar Myer Bologna)

My Savior has a 1st name, it's J-E-S-U-S
My Savior has a 2nd name, it's C-H-R-I-S-T

I love to serve Him every day
If you ask me, why, I'll say,

Cause, Jesus Christ, has the best
of everything you need today.

"Look for the FBH Label"

(Tune: Look for the Union Label)

Look for the FBH label when you are searching
for a church home somewhere.
Remember our church, is the best church
to be a member and really care.

And, yes, we work hard, but who's complaining
thanks to our leaders, who pave the way---
So, always look for the FBH label
it says we're able to make it in the world today!

"The Roll"

(Tune: When the Roll is Called Up Yonder)

Let us talk about our Sunday School to everyone we meet;
Let us talk to all our relatives and friends;
Let's invite them out to Sunday School
from work and off the street;
Let us have a zeal that never, never ends.

When the roll is called on Sunday,
When the roll is called on Sunday,
When the roll is called on Sunday,
When the roll is called on Sunday
I'll be there;

I'll get up on Sunday morning and come out to Sunday School;
I'll be faithful in all weather, foul or fair;
For today and every Sunday this shall always be my rule;
When our classes meet on Sunday, I'll be there.

"We Glory in HYPU"

(Tune: Since Jesus Came Into My Heart)

I've a wonderful secret to tell, friend to you;
We glory in H.Y.P.U.
And our motto we honor by works that we do;
We glory in H.Y.P.U.

Christ, the Savior, we serve; keep His banner unfurled;
We glory in H.Y.P.U.
And as Christians we triumph our field in the world;
We glory in H.Y.P.U.

We delight in the Word, 'tis a lamp to our feet;
We glory in H.Y.P.U.
Day by day we find comfort in God's mercy seat;
We glory in H.Y.P.U.

We will boast our church and our pastors each day;
We glory in H.Y.P.U.
All their burdens we share and for them ever pray;
We glory in H.Y.P.U.

Chorus
We glory in H.Y.P.U.
We glory in H.Y.P.U.
We delight in its law
We promote its great cause;
We glory in H.Y.P.U.

"Saved to Serve"

(Tune: Star Spangled Banner)

Oh, say, who are we, who are gathered today,
whose voices are lifted in songs of rejoicing?
We are workers of love for our Father above,
and trusting in Him, we are forward advancing.
Brave and loyal we'll prove, from the right we'll not swerve,
For this is our motto: "We're saved to serve";
Then onward! Right onward! With hearts tried and true,
we'll labor for Christ and our H.Y.P.U.

Then come join our band, for the right take your stand,
and never retreat, though the foe may surround you;
The fight may be long, but out Captain is strong,
and we'll conquer through Him, who is ever victorious.
Brave and loyal we'll prove. From the right we'll not swerve,
For this is our motto: "We're saved to serve";
Then onward! Right onward! With hearts tried and true,
we'll labor for Christ and our H.Y.P.U.

For those who lie in darkness,
wait patiently for light.
And you must help to lighten,
their every call must heed'
Lead on ye Christian workers,
for some are still in need.

Chorus
Lead on ye Christian workers,
there's work for you to do;

My child, I've need of you.

"I Wish I Were Like Jesus"

(Tune: Oscar Meyer Weiner Song)

I wish I were like Jesus Christ, my Savior;
Like Jesus I would truly like to be-e-e,
Cause if I were like Jesus Christ, my Savior,
then all the world would see His love in me.

"H.Y.P.U."

(Tune: Love Lifted Me)

I was feeling very blue, not knowing what to do,
and so I took my hat and coat and went to HYPU.

I was made so welcome there, forgot all about my care,
so, I go on Sundays now, and do my share.

H.Y.P.U., H.Y.P.U.
I'll ever work for thee, faithful and true.

H.Y.P.U., H.Y.P.U.
Come join our happy band, you'll like it too.

In whatever we do.

We praise Thee, O God, for leaders so true.
Give them grace every hour, to say, "I will go through".
