Fridays – 11:45 AM - Exhortation and Prayer with Bishop Alonzo L. Rodgers

The focal theme of our “2017 Call to Prayer”, is the nurture of the spiritual relationship of all our members, as well and the Christian Community with Christ. As Christian believers, we must recognize that the ultimate objective of Christianity, is to introduce the oneness of man with God, through Christ Jesus, our Lord. We will come together daily as a corporate body of Christian Believers, beseeching our God for the strengthening of our communal spiritual fellowship.

Through prayer, we will seek to enhance our spiritual bond, both with Christ and each other. This bond initiated and secured by the work of Jesus our Christ, is now sustained by our consistent commune in prayer, worship, and the study of the Holy Scriptures. Thus, the noon-day prayer, along with ecclesiastical exhortations, by the Presiding Bishops of the Fire Baptized Holiness Church of God of the Americas, on each Sunday, Wednesday, and Friday, we will cultivate the roots of our Christianity through spiritual nurture.

We should understand that the purpose and function of prayer, is not solely devoted for making requests for needs and wants. It is a spiritual ministry whereby the Christian opens communication with the divine, which ultimately generates fellowship with God. Prayer is the channel through which the Christian experiences compatible engagement with the object of our worship. Through prayer, a pathway is opened to God, with our utterances of the mind and soul, facilitating worship, thanksgiving, and petition.

While we are captured by prayer as making requests, the true purpose of prayer is primarily focused on relationship. When true spiritual relationship is properly engaged, the needs of the Christian believer are met as a result of the provisions that are divinely appropriated by God. Walking in relationship positions us for those provisions necessary for the fullness of life. Thus, as we walk in right relationship, and we also walk in the blessed and divine provisions of our Heavenly Father.

As we come together in daily prayer, let us recognize God’s that God has, in His omniscience and omnipresence strategically arranged every life need in the course we trod. Every need, both spiritual, financial, mental, emotional, even our physical healing, has already been situated for our access. Does this mean God has purposed for us to avoid life’s issues? No, but it does indicate that our relationship with God, through the Holy Spirit empowers us to victoriously overcome every obstacle of this Christian walk.

Therefore, the Christian believers, must embrace the divine concept of walking/living by faith. The writings of Romans 1:17, 2 Corinthians 5:7, are references of Habakkuk 2:4, which directs us to live, walk, and conduct ourselves by the faith we profess. As Fire Baptized Holiness Christian believers, it is a direct contradiction to acclaim the sanctified lifestyle of holiness, yet not live in the confidence of its provisional position. This year’s focus will promote achieving the divine relationship that God has not only provided access to, but has also instructed for us.

As we walk in obedience, the Year 2017 promises to be a year we realize the divine purpose of our Christianity, as well the ultimate experience of holiness. We are, Lively Stones, a Spiritual House, and a Holy Priesthood (1Peter 2:5). Let us therefore, “hold fast the profession of our faith without wavering; for He is faithful that promised; (Hebrews 10:23).

Prayer Leaders should be mindful of the following;

- Maintain focus on the monthly themes.
- Any upcoming functions of the Fire Baptized Holiness Church.
- Considerate of bereavements throughout the church at large.
- Families that are experience illnesses or giving care.
- Our Nation and those in authority in our government.
- Current issues and tragedies, disasters, and calamities that affect our society.
